Leadgate Shop Local Campaign

Leadgate Task Force are running a “Shop Local” campaign on our Website throughout 2017. The aim is to promote local business and encourage residents to use local facilities

<http://www.leadgatevillage.org.uk>.

Our Campaign

Traders in Leadgate have had a tough time over the past 18 months, hopefully the opening of the new road connecting Front Street to Villa Real will start to reinvigorate local businesses but some encouragement and promotion will undoubtedly help.

How Can We Help?

We aim to help by building a local business directory on our website, leadgatevillage.org.uk and list your Shop or Trade on there free. After the first 12 months of the live directory we hope you will help us by making an annual donation.

At the same time we will use our Facebook page, Leadgate Village Group and other publications to promote the benefits of shopping locally to all our members, currently over 300

The Business Directory

The Directory will be organised by location and type of business and will list all shops and traders who wish to be included.
